One of the most outstanding projects undertaken by the faculty in recent years is the curriculum study.

Faculty

To the delight of the students the famous Faculty Senior Basketball

Game was revived this year.

Special Services

The faculty enjoys their initiation party. The fourteen new-comers were required to come in the high fashion of the 1920's. As you can see from the picture, teachers eat, too!

The B . Club Board did a good job to dent, Bill Branden .

The dance given by the Boys' Club, the "Wigwam Wiggle," was a great success. The main project of the board was to start various interest groups in the school. As a result, we now have an Auto Club, Model Makers Club, the Cracker Barrel group, and many others. On top of this, a new and better Boys Club Directory was printed and sold

Hi-Y

Ht-Y had a very interesting and successful year under their capable officers. The boys raised enough money to make a contribution to the World Service Fund.

Meetings were held on the second and fourth Tuesdays of each month. In order to acquaint the boys with various occupations, speakers were obtained from several professions. These included Dr. Ackerman, a dentist, Mr. Dunn, a weatherman, M. Corneliuson, the personnel manager from Reynolds Metals, and a representative from the economic research department of Armour.

The boys also heard from Mr. Bennett on sportsmanship. Other activities included swimming at the Austin Town Hall, a basketball game with the Downers Grove Hi-Y, and the annual picnic. They also had a few joint meetings with the Tri Hi-Y.

This year's operetta, the Mikado, was a mixture of romance and comedy. The setting was Japan. Its Oriental beauty in the form of costumes and props, the superb work of the principals backed up by a fine chorus, and the coaching of Mr. Dissinger, Miss Ehrich, and Miss Small made this one of the year's most successful productions.

The first act begins with Nanki Poo (Don Galitz and Alan Phillips) fleeing from the court of his father the Mikado of Japan (Dave West and Russ DeLong) in order to escape marriage to an elderly lady, Katisha (Mary Jo Proescholdt and Carole Kullen). Assuming the disgree of a musician he falls

In love with the fair maiden Yum-Yum (Rachel Major and Diane Wells), but he is prevented from marrying her by her guardian Ko-Ko Sal Grisaffe and Dick Miller), who wishes to marry her himself. However, Ko-Ko has been condemned to death for flirting. Ko-Ko is then made Lord igh Executioner, which position prevents his death.

The Mikado sends word for an execution and Nanki Poo offers himself because of his grief. The last curtain finds Katisha tricked into marriage to Ko-Ko. Yurn-Yum and Nanki-Poo securely married, and Nanki Poo revealed as the Mikado's son.

Senior Class Play

This year's senior play was an excellent presentation of Our Town by Thornton Wilder, directed by Mr. Frank Bacon. At the beginning of the play, which takes place in 1903, the Stage Manager (Bruce Baxter) disclosed the history of Grovers Corners, New Hamptire, and described the citizens living in this typical American town.

In the first act, scenes from daily life were enacted by Dr. and Mrs. Gibbs (Larry Forward and Merry Cole) and their children, George (Bob Hoff) and Rebecca (Lydia Voss), and by Mr. and Mrs. Webb (Fred Tuttle and Deborah Bond) and their children, Wally (Bill Krafft) and Emily (Virginia Rhoads). The romance and the wedding of George Gibbs and Emily Webb were portrayed in the second act. The third act took place in a cemetery on a hill overlooking Grovers Corners. It described the effect of sorrow on human life as experienced by the death of Emily.

The cast included David Collins, Alan Cole, Scott Walker, Shirley Drom, Jack Munns, Carol Krametbauer, Don Creelman, Marilyn Foster, Ralph Baehr, Byron Bennett, Van Ooms, Jim Sturrock, Earl Ryba, Richard Sweeney, Katherine Haskell, Bonnie Fetzner, Dave Sibley, Dick Van de Houten, and Duane Batista.

Cross Country

Sparked by spectacular performances by George Drake and Tom Racine, a well-balanced cross country squad piled up a record not to be forgotten soon. Coach Max Armer's distance men easily captured the conference title plus the district championship and fought their way downstate to a meritable runner-up position.

Except for the competitors in the state tourney, all of the would-be Lion conquerors met with defeat. Even Bloom, one of the top-ranking teams in the state, bowed to the superiority of the LT runners as La Grange won 25 to 36.

Six perfect scores were chalked up by the Armermen, including an eight-way tie for first place in one of the meets when the entire Lion team hit the wire simultaneously.

In conference runs little competition could be found, and the Lions compiled a new record low number of points for the conference.

Downstate the team was greeted by cold winds and below freezing temperature but came through in fine style and, led by George Drake's seventh place, arrived home with the second place trophy.

Varsity Football

This year's varsity football squad did a fine job in securing second place in the conference despite pre-season ratings which conceded them fourth position.

After several weeks of hard practice the Lions, who played no non-conference games this season, opened their schedule with their age-old rivals, Hinsdale. La Grange was handicapped by the experience of a strong Red Devil team with two games under its belt and also by the loss of Bill Linsky. A pass in the second quarter from Bennett to McKown saved the Lions from a shutout, Hinsdale winning, 20-7.

Next week the Lions played host to Glenbard. La Grange, who consistently played their better games on rainy days, played like a championship team against Glenbard, scoring in all but the third quarter, to win 26-0.

Against R-B, La Grange showed little of the class they exhibited in their win over Glenbard the previous week, being almost lacka-

daisical in their play throughout the game. They finally settled down and won, 13-6.

On a wet homecoming day before 2.500 fans. the Lions battled Maine, their perennial foes, to a standstill until a sensational pass by French, late in the fourth quarter, put the Demons ahead to stay in a thalling 6-0 timish. With no chance for the title left, the Lions relaxed against Downers, Stunned by a D.G. tally early in the second half, La Grange, sparked by Bob McKown, who scored two T.D. added another in the fourth quarter by nett, to win 19-7.

A small, cold crowd of LT rooters watched while the Lions snowed under Arlington Heights, 22-0. An amazing fumble recovery by Bide Thomas, who converted it into a T.D., highlighted the game.

The Lions, playing one of their better games, smeared York 28-6, while Bennett starred Although the Lions d.dn't win the title, they made a fine record of 5-2. All conference honors went to Ray Esche, John Blomberg, By Bennett, and Leon McRae.

For the fifth consecutive year, Coaches Deason and Burghardt led the Cub team to the conference championship. To add honor to glory, this has been the team's second undefeated year.

The first game of the season, with Oak Park on our home field, ended in a 0-0 tie. The second game found the Cubs in better shap when they played the Hinsdale Imps. Hinsdale drew first blood with a drive over the goal in the second quarter, but a long pass to the end zone by our team soon evened up the score. Late in the tense fourth quar ter Bill Caffey broke the tie with a run around right end, putting our team ahead and winning the game, with a final score

of 12-6. The next two conference games gave the team easy victories over Glenbard and Riverside, with scores of 26-0 and 32-2 respectively. Long plays were the order of the day at our Homecoming game with Maine, which we won 18-0. Winding up the season, we defeated Downers 27-7, and beat Arling ton 19-2 in the coldest game of the year. The final game, played in early winter mud, saw York routed 20-6

"They kept getting better as the season progressed — we had a very good Frosh-Soph lootball team by the end of the year," observed Coach Russ Deason. We can readily agree with that, Coach!

A bunch of eager but inexperienced ball-players composed the 1951-1952 varsity squad and were expected to cause only minor irritation throughout the year. However, Coach Greg Sloan guided the Lions through a prosperous 17-3 season climaxed by an explosive effort in which the coveted regional title was captured. The team gave a view of big things to come as they overwhelmed a weak Batavia squad 91-26. New Tier and Argo were next to fall. A supposedly tough Maine outfit supplied LT's first conference victory 60-42. The next evening the Sloanmen invaded loket and

ning the Sloammen invaded Johet and absorbed their first set-back of the season 51-50

La Grange roared back in league play winning a trio of games from Hinsdale. Glenbard, and Arlington Heights with a rout of a highly-rated Springfield team thrown in.

Disaster struck the Sloanites during next two weeks, as Moline and Riverside completed the losing column for La Grange 56-60 and 53-50. The defeat of Downers Grove and a nine point edging of a tough York quintet rang down the curtain on the first round of W.S.C. play. Again the Lions dug in their claws to 1 - at the Maine Pioneers. Then Hinsdale, La Grange's perennial junx, held a

bewildered LT squad to a two-point win. From then on LT was unstoppable as they overwhelmed the final five contenders to win the West Suburban Conference title.

Atter defeating Downers Grove and Argo in preliminary regional play, the LT five won the hard-fought final game from Morton 52-51, thus winning the third Regional title in LT history. Although the squad was beaten 62-61 in Sectional play, everyone was proud and happy to see the two-year old question of who was better. Morton or La Grange, decided in our favor.

The LT varsity nine will open its 1952 conference play April 7 at Downers Grove. Last year our varsity placed second in the conference. This year should prove a tough one for the Lions since the only lettermen coming back are Nate Smith, Howard Boykin, Bill Burke, Ron Clarke, Bill Redis, Jim Sturrock, and Elwaine Hardtke. Most of these boys saw only minor action during the 1951 season.

At first base Coach Glick will use either Chester Baker or Ron Clarke, while short and second base are being handled by the Govednik twins, Don and Dave. Howard Boykin, who saw plenty of action last year, will probably hold down the first base job. Catcher will be Nate Smith, who caught some last year. Likely choices for the outfield are Bill Redis, Bill Burke, Edgar Fields, and Ted Swanson.

George Plesha and Bob Kamerschen will probably handle mound chores, with Elwaine Hardtke and Wayne Kennedy as relief pitchers.

If the LT nine can get by Downers Grove and York, who apparently have the toughest teams to defeat in the conference, the sailing will be smoother.

Tennis

With a difficult schedule facing him, Coach Frank Alien is confronted by the serious problem of welding a winning tennis team. With the exception of Dick Cole, star singles player, all of last year's team, which captured fifth place in the state meet on a point basis, are back this year, bigger and better than ever.

First singles position is a toss-up l.

Bob Holf and John Vaughan. The r

ing singles position will be occupied by

Dick Herberts. The contenders for the d.

bles position, who are all fine players, ar

Don Sessions, Jim Groeser, Van Ooms,

Chuck Seibert, Ron Prater, and Bill

Vaughan.

The team has already beaten Leyder Wheaton, and Proviso, losing only to B Island. The boys may not win the convence, but they'll be fighting event the way. About fifty boys came out when the call was given for spring tryouts for the golf squad. Many old members of last year's squad returned. A very large part of the interest came, however, from the underclassmen. This indicates that the golf prospects will be bright next year.

The team will have about 12 matches, district and conference tournaments. Besides, a Frosh Soph tournament will be held during

the latter part of May for those boys unable to make the squad.

The team's chances for a good season are fair. Alan French, Bill Brandenburg, Larry Booth, Don Pankow, Dave Anderson, Wayne Schneider, all members of last year's squad, will be the nucleus for this year's team. Jim Reagan, a new boy from Texas, will add strength to the team this year.

Cheerleaders

This year's talented, peppy cheerleaders have really livened up the school spirit with their rousing cheers at football and basketball games. Under the capable leadersh rot Miss Farr as sponsor and Audrey Graber as captain, they have worked as a well-

first year that the cheerleaders have had a junior as a captain and the first year that this was an elected instead of an appointed position.

A new plan was put into effect whereby the frosh-soph and var-

sity squads practiced together instead of separately as they have formerly done. They worked out many of their own cheers and movements. The girls also set down definite qualifications for earning a cheerleading letter.

G. A. A.

Under the efficient and enthusiastic leadership of its officers G.A.A. had a busy and successful year. All events were well attended by the record number of girls included in this year's membership.

Among the many social events were a square dance and a Christmas party.

Each class had teams entered in the basketball tournaments, which wound up eighteen weeks of activity in that sport. Fencing, which was offered as a G.A.A. activity for the first time, proved to be very popular.

Every gul had fun participating in the sport which she enjoyed most.
